

For as little  
as 50 cents  
a month,  
you can  
support  
renewable  
energy.

Through *Evergreen*, you have access to clean, local, renewable energy that best fits your lifestyle and budget.

- Evergreen Everyone:** Renewable energy credits for \$.50 per 100 kilowatt-hour (kWh) block. *Number of blocks:* \_\_\_\_\_
- Evergreen Everyday:** Make your hot water *green!* New electric water heaters on our storage water heater strategy can receive green power to keep your water warm.
- Evergreen Everywhere:** Charge your EV during off-peak hours and receive renewable energy for tomorrow's drive.
- Evergreen Everything:** You can have 100 percent of your electricity use matched by renewable energy credits for \$.50 per 100 kWh.

**Did you know?** Dairyland's renewable energy generation portfolio includes solar, wind, hydro and biogas resources.

*Yes, I want to participate in Evergreen!  
(check any box(es) above)*
