## **HVAC**

## **2024 Energy Efficiency Incentive Form**

## **ELIGIBILITY CRITERIA**

- New equipment must be installed on cooperative's lines.
- Incentive not to exceed the equipment cost.
- Incentives not allowed for a measure and a component of that measure. For example, if an air source heat pump has a variable speed blower motor, the air source heat pump qualifies for an incentive but not the variable speed blower motor.
- Incentives are in place through December 31, 2024. Funds are limited so submit required documentation as soon as possible.
- Required documentation must be submitted within 3 months of install date. If submitted after December 31, 2024, equipment will be considered for the 2025 incentive if offered.
- Heat Pump or Electric Heat unit must be placed on JREC's load management program.
- Additional eligibility criteria may apply. Program is subject to change or cancellation without notice. Contact cooperative for details.
  - ✓ This incentive form
  - ✓ A copy of your receipt or invoice for each item with purchase price(s) circled
  - ✓ Documentation showing the equipment has been installed

Submit required documentation to: PO Box 99, Ladysmith WI 54848
