2023 Incentive Program

RE-NEWABLE ENERGY GRANT REBATE FORM

Name: _____

Address: _____ **Date:** _____

City: _____ **State:** _____ **Zip:** _____

Account #: _____ **Location #:** _____

Daytime Phone #: _____ **Cell #:** _____

JREC ELIGIBILITY REQUIREMENTS:

- JREC may award up to \$20,000 in grants to members within the 12-month program.
- Member should complete a renewable energy site assessment through a certified professional before applying for the grant. JREC offers a \$150 rebate towards the cost of a site assessment.
- Renewable energy grant incentive will be paid out at \$150 per installed kW of the system up to \$2000 max (i.e. 4kW = \$600 or 15kW = \$2,000).
- Funds will not be paid until project completion and JREC personnel inspects the project.
- Member must complete a renewable energy site assessment through a certified professional before applying for the grant.
- Systems must be less than 20Kw and be wind, solar, or biomass for electricity production.
- All paperwork, including a Certificate of Insurance and a paid copy of the renewable unit must be received before the grant is awarded.
- Systems must follow all rules and regulations set forth in JREC policy and PSC rule 119.
- Projects must be completed and grants claimed by 12/31/23.
- JREC reserves the right to award no grants if the projects do not meet the above guidelines.
