Since 1938

Your Touchstone Energy® Cooperative 

## ELECTRIC VEHICLE (EV) CHARGER AGREEMENT

Owner/Member: \_\_\_\_\_

Account Number: \_\_\_\_\_ Telephone #: \_\_\_\_\_

This agreement was executed this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, between Jump River Electric Cooperative, Inc., a corporation organized under the Laws of the State of Wisconsin, (hereinafter referred to as the “Cooperative”) and the above-named Owner/Member.

WHEREAS, it is in the joint interest and benefit of the named parties to conserve the use of electrical energy and to minimize the cost of electrical energy sold and delivered by the Cooperative to the Owner/Member.

NOW, THEREFORE, it is hereby agreed by and between the parties as follows:

1. The EV Time of Use rate schedule is available to members utilizing a Level 2 EV charger.
2. There is an EV fixed cost of delivery charge per month per EV Charger meter. There is no sales tax added from November through April for farm and residential use (Wisconsin residents only).
3. EV chargers on this rate schedule may be interruptible.
4. To be eligible for this program, the service needs to be a Single-phase, sixty (60) Hz, at available secondary voltages.
5. All Level 2 EV chargers should be wired on their own dedicated circuit.
6. All Level 2 EV Chargers (Provided by Member): The Owner/Member will have a meter socket installed so that the kilowatt-hour (kWh) can be obtained.
  - a. The Owner/Member will provide all wiring, equipment, and installation; including a double pole breaker, which shall be rated for at least the total load capacity.
  - b. The Owner-Member agrees not to utilize the EV meter for any load other than the EV charger.
  - c. The EV Charger meter will be installed on the outside of the structure, permitting access to Cooperative personnel.
  - d. The meter will be installed by the Cooperative and record the EV charger load separately from the general-purpose meter and may be a subtractive meter.

- 7. The Cooperative reserves the option to remove their equipment and materials at its discretion.
- 8. The Owner/Member agrees to allow the Cooperative to periodically inspect the Owners/Members premises to monitor electric energy usage and inspect its equipment.
- 9. Non-compliance with this agreement or any tampering with the Cooperative's equipment shall invalidate this agreement and the Owner/Member will be subject to the Cooperative's policy regarding this matter.
- 10. The Owner/Member do hereby release, discharge, agree to indemnify, assume sole responsibility, and hold harmless the Cooperative from liability for any injury or damage to the person(s) and/or property of the Owner/Member, or any trespasser on the Owners/Members property resulting from the use of, directly or indirectly, said receiver excepting only and such injury or damage resulting from the willful act of Cooperative's representatives, agents, or employees.
- 11. The undersigned hereby certifies and agrees to the conditions as described herein.
