## Welcome from the General Manager/CEO

KURT HARRIS

Welcome to Jump River Electric Cooperative, a not-for-profit organization owned by its members. Here are some of the member advantages.

A monthly issue of the *Wisconsin Energy Cooperative News* magazine will be mailed to you. This is a great resource for information on your cooperative and matters that affect the electric industry. You will also find Annual Meeting and director election details in this magazine. As a member you have voting rights at this meeting.

Our website ([jrec.com](http://jrec.com)) contains detailed information about all the products and services listed on the right. You can also find tips and videos on both electrical safety and energy conservation. Be sure to follow us on Facebook, Instagram, and X.

Take advantage of SmartHub, an online and mobile app that helps you view your account on the go. With SmartHub, you can pay your energy bill, monitor usage 24/7, view historical payment and energy usage, receive outage alerts, and report an outage. For details on how to sign-up, visit [jrec.com/smarthub-how](http://jrec.com/smarthub-how).

A copy of all policies and bylaws can be found online at [jrec.com/bylaws-policies](http://jrec.com/bylaws-policies). A Bylaw booklet will be mailed upon request.

Your electric cooperative was founded on people helping people and we look forward to working together as we work for you! On behalf of the Board of Directors, employees, and myself, we again say WELCOME to the Cooperative!
