

86TH ANNUAL MEETING HIGHLIGHTS

Jump River Electric Cooperative’s annual meeting was held April 27 with members in attendance at both the Ladysmith headquarters and Hayward outpost. Acting Chairman Bill van Doorn opened the meeting on a somber note, informing those in attendance that Board Chair Myron Brooks had unexpectedly passed away earlier in the week. A tribute to Brooks was also given by General Manager and CEO Kurt Harris during his report.

Dairyland Power Cooperative’s Vice President of Generation Jeremy Browning was the guest speaker, focusing his message on the long-term view of energy sustainability, reliability, and diversification.

van Doorn reported that in 2023 JREC returned over \$416,000 in capital credits and awarded \$19,000 in scholarships, which are funded through unclaimed capital credits. He also announced the three recipients of Community Cents donations and stated that there are 280 members enrolled in this program.

Harris presented the auditor’s report and provided an update on the co-op’s strategic plan goals established a year ago, outlining the measures implemented to secure long-term financial stability. Harris acknowledged the efforts of the staff and board in reducing expenses amidst inflationary pressures and stated that there is no projected rate increase in 2024. He stated that improvements to the mapping system will enhance member communication and make it possible to implement outage notifications this fall.

Member and community collaboration efforts were also highlighted by Harris, including electrical safety demonstrations and a Charter Spectrum pole attachment agreement that is expected to bring high-speed internet to Taylor County. Harris announced that final details are being worked out with OneEnergy Renewables to purchase power from a 2.5-megawatt solar system that will interconnect by the Hannibal substation, lowering JREC’s wholesale power costs.

Safety is the top priority at JREC and Harris shared that the cooperative has not had a lost-time accident since July 2020, resulting in over 205,000 employee hours being worked safely.

Harris thanked attorney Niles Berman for his many years of service to JREC and presented him with a retirement gift.

Harris concluded his presentation with what the co-op is doing to keep the lights on. He stated the board has approved a new four-year construction work plan that will improve reliability, grant applications have been submitted to help offset cost, and outages have been reduced due to more proactive vegetation management. He also acknowledged employee milestones.

More annual meeting news on the following page. You can view the entire meeting at jrec.com/board-meeting-expense-information.

Myron Brooks served the membership as the district 2 director from 2011 to 2013 and again from 2016 to 2024 and was the board chairman for the past four years.

“Thanks to Myron’s dedication our cooperative has grown stronger, demonstrating the power of teamwork and vision. The impact of his commitment to serving our members will be felt for generations to come,” said Harris.

DISTRICT 2 DIRECTOR VACANCY

The board will be taking letters of interest until June 11, 2024, to fill the vacant District 2 director position. This district is comprised of Cleveland, Grover, Jump River, and Westboro townships in Taylor County; Hawkins, Lawrence, and Richland townships in Rusk County; and Kennan township in Price County. Letters of interest and a resumé can be sent to the attention of Kurt Harris, General Manager/CEO, and mailed to the Ladysmith office. Go to jrec.com to view the letter mailed to all members in District 2.

Officers of the board of directors were elected at the April board meeting:

Bill van Doorn, District 5, Chairman
Wally Kruk, District 8, Vice-Chairman
Joe Lorence, District 3, Sec.-Treas.

The election committee tallied up the director elections ballots. Voting results are: District 1 – Jane Reich with 267 votes and Nancy Lato with 172 votes; District 5 – Bill Amery, 408 votes; and District 6 – Bill van Doorn, 409 votes.

Ladysmith Lineman Rowdy Kochevar (5 years) and Finance Manager Dawn Zahurones (20 years) were recognized for their years of service.

Each member in attendance received a \$25 energy credit along with a night light. A prize drawing was held at the end of the meeting with Lloyd Lee (left) of Conrath winning the \$500 energy credit. Those winning the \$100 energy credits were William Pfalzgraf of Ladysmith (right), John Goodman of Stanley, Anthony Zimmer of Ladysmith, Timothy Smith of Ladysmith, and Arnold Horstman of Hayward.

Member Appreciation Days

Members are invited to a picnic lunch of brats, hotdogs, baked beans, chips, ice cream, milk, coffee, and soda. Join your neighbors and friends for this fun cookout! Price drawing at each location.

JUNE DATES AND LOCATIONS

- 26 - Jump River Community Center
- 27 - Hayward Office
- 28 - Ladysmith Office

TIME:
10 A.M. TO 2 P.M.

FOOD - GAMES - FACE PAINTING - PRIZES

**WE'LL HELP YOU
PAY FOR COLLEGE**

**HURRY, DEADLINE IS
FAST APPROACHING**

There is still time to apply for one of the six homeschool or four non-traditional scholarships that will be awarded this year. Deadline is June 15. You can find all the details, including the applications, online at jrec.com/scholarships.

We may be Looking for you!

Jump River Electric Cooperative has several former members who have not cashed their capital credit checks that were paid out in 2021. The list of names is also published on our website at www.jrec.net. Please contact us at 715-532-5524 or at jrec@jrec.com ONLY if you know the current address of someone listed. In cases where the person is deceased, please call us if you know the contact information for a relative or benefactor who may have rightful claim to the capital credits. Any unclaimed checks will revert to the Wisconsin Federated Youth Foundation, Inc. The Foundation is a charitable tax-exempt trust established by the Wisconsin Electric Cooperative Association for educational purposes.
