

In case you missed it...

87TH ANNUAL MEETING HIGHLIGHTS

The 87th Annual Meeting took place on Saturday, April 26, 2025, at the Ladysmith and Hayward offices. Attending members received a \$25 energy credit and a bamboo cutting board. There were 103 registered members, with approximately 150 people attending the meeting in-person, while many more watched via livestream on JREC's Facebook page.

Chairman Report. Board Chairman Bill van Doorn announced that \$530,033 in capital credits was returned to members in 2024, and \$304,550 has been awarded in scholarships since 1984. He also updated members on available funds and the 12 grants recently awarded through the Community Cents program. Members were encouraged to participate in this great member-funded program.

General Manager/CEO Report.

Kurt Harris provided the auditor report from CliftonLarsonAllen, LLP, noting a successful 2024 despite the lowest kilowatt-hours sold in the past 7 years. He reviewed several financial aspects, explaining how the members' dollar was maximized and the co-op's financial equity increased, while also highlighting challenges such as having only 5.46 members per mile of line.

The cooperative is now on a 6-year rotation for vegetation management, enhancing reliability. Harris explained that the cooperative is in their second year of a four-year \$9.1 million dollar construction work plan aimed at converting overhead lines to underground. A recently approved \$548,946 grant from the Wisconsin PSC Office of Energy Innovation will also support reliability improvements.

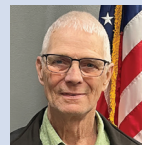

System-wide mapping has been

Director Elections

Three incumbent directors ran unopposed in the director election and were re-elected to the board of directors. They are as follows: District 2, Christine Beadles of Jump River; District 7, Mike Gardner of Hayward; and District 8, Walter Kruk of Hayward.

Officers of the board of directors were elected at the April board meeting:

Bill van Doorn,
District 5,
Chairman

Wally Kruk,
District 8,
Vice-Chairman

Joe Lorence,
District 3,
Sec.-Treas.

Bylaw Amendments Adopted

Both proposed bylaw amendments were adopted by sizeable margins.

- Amendment #1 defined the difference between absentee and a mail-in ballot and cleaned up language where needed. This amendment was adopted in a vote of 344 in favor and 34 opposed.
- Amendment #2 added language for the event of uncontested director elections and how to break a tie in an election. This amendment received 342 votes in favor, and 39 were opposed.

Energy Credit Prize Winners

The grand prize winner of \$500 was Bruce Ewings of Gilman, with the following members each receiving a \$100 energy credit: Jeff Allard and Donald Grey of Ladysmith, Ray Pagenkopf of Stanley, Connie Stoll of Conrath, and Anthony Arts of Tony.

The annual meeting can be viewed at [youtube.com/watch?v=GE5NmH1e-7o](https://www.youtube.com/watch?v=GE5NmH1e-7o).

completed, providing improved communication for outage notifications, available through SmartHub. Notifications include an alert when an outage occurs, estimated restoration times, and when the power is restored.

Harris also provided an update on the Hannibal solar project, a 2.5-megawatt solar array owned and operated by OneEnergy Renewables, located off Highway 73 near the Hannibal substation. This solar system will power approximately 630 homes and allow JREC to purchase power at a fixed rate for 30 years, providing operational and financial benefits.

The cooperative demonstrated principles #6 Cooperation Among Cooperatives and #7 Concern for Community through activities like the Red Cross blood drive, Trunk or Treat, career fairs, and local parades. Federated Youth Foundation funds are also used to help support many local organizations throughout the year.

Restoration of Power in an Emergency (ROPE) was highlighted by Harris, stating that in 2022 we were the ones calling for help and in 2024 we were able to send help. In April, four linemen were sent to Oconto Electric Cooperative in Wisconsin, and in October, two linemen and the operations manager joined 851 other line crews from 15 states to restore power in South Carolina after Hurricane Helene.

Thanks to the election tellers who counted mail-in and meeting-day ballots in Ladysmith and Hayward. Member Gene Ludvigsen, Chairman of the Election Tellers is shown announcing the results of the director election and proposed bylaw amendments.

Safety remains JREC's top priority. Harris highlighted efforts to ensure that everyone goes home safe every night, for both the employees and the public. In 2024, the cooperative received their Rural Electric Safety Achievement certificate and reported no lost time accidents since July 2020, totaling 224,220 employee hours worked safely.

2025 MEMBER APPRECIATION DAYS

JUNE 25 – 27
10 a.m. to 2 p.m.

Everyone loves a great cookout, and what's even better is when we do the cooking for you! Members are invited to enjoy a delicious lunch of brats, hotdogs, baked beans, chips, soda, milk, or coffee. The treat doesn't stop there! You can enjoy a vanilla soft-serve ice cream cone to either kick off or wrap up your meal.

Don't miss the opportunity to connect with friends and neighbors at this fun-filled cookout! Join us for games and prize drawings at each location. We look forward to seeing you there!

Picnic Locations:

June 25 – Jump River Community Center
June 26 – Hayward office
June 27 – Ladysmith office

Ice Cream will be served!

Did you Know? According to a 2024 survey held by the International Dairy Foods Association, vanilla continues to rank as America's flavor of choice in ice cream. In recognition of June Dairy Month, you too can enjoy a vanilla ice cream cone or cup with us during Member Appreciation Days.

BEAT THE PEAK

Do the Summer Shift!
11 a.m. to 7 p.m.

What is the Summer Shift?

The Summer Shift supports stable rates by helping members use less electricity during times of high demand. Anyone can participate in the Summer Shift by "shifting" non-essential energy use to before 11 a.m. or after 7 p.m., when the demand for electricity is at its peak. With a successful Summer Shift program, the cooperative's wholesale power provider purchases less electricity during times of peak demand and high prices. Reducing the price paid for our wholesale power contributes to stable retail electricity rates in the long-term.

We may be looking for you!

Jump River Electric Cooperative has several former members who have not cashed their capital credit checks that were paid out in 2022. The list of names is also published on our website at www.jrec.com. Please contact us at 715-532-5524 or at jrec@jrec.com ONLY if you know the current address of someone listed. In cases where the person is deceased, please call us if you know the contact information for a relative or benefactor who may have rightful claim to the capital credits. Any unclaimed checks will revert to the Wisconsin Federated Youth Foundation, Inc. The Foundation is a charitable tax-exempt trust established by the Wisconsin Electric Cooperative Association for educational purposes.

SAFETY POSTER WINNERS

Thank you to all the students who participated in the 23rd Annual Electrical Safety Poster Contest. Many posters were submitted by students who attended one of the many electrical safety demonstrations earlier in the year, as reflected in the diverse safety messages showcased on them. Students were awarded \$50 for first place and \$25 for second place. In addition, Vivian A. won the Wisconsin Electric Cooperative Association's third-grade poster contest, earning an extra \$25.

5-7 Age Category:

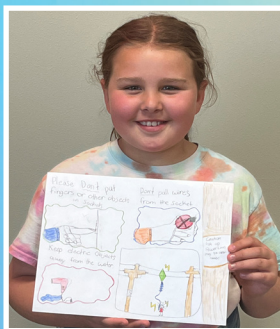

- **First place:** Caroline A., age 6, reminds us that we should not dig without calling 811.
- **Second place:** Graham W., age 5, learned that you need to call the power company when lines are down.

8-12 Age Category:

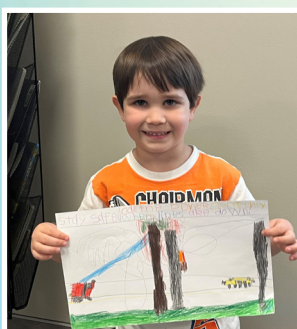

- **First place:** Vivian A., age 9, depicted a vehicle accident involving a power line and how you need to stay inside to stay alive.
- **Second place:** Adeline A., age 9, relayed four important safety messages within her drawing.

Vivian A. and Caroline A.

Adeline A.

Graham W.

LAST CHANCE TO APPLY

June 15 Deadline

Youth Leadership Conference provides a unique experience that will help teens discover their leadership skills through fun, hands-on activities. This conference is open to high school students in their sophomore and junior year and is held July 15-17 at UW-Stout.

Activities focus on maximizing leadership potential, effective communication methods, and turning mistakes into steppingstones for success. Students leave this event understanding what it takes to be a great leader and how they can positively impact their peers, schools, and communities.

Participating students elect a six-member youth board that plans the following year's conference. These six students can also attend the NRECA Youth Tour, held in Washington, D.C. the following year. All conference expenses are paid for by JREC. If interested in attending, call Denise at 715-532-5524.

Scholarship opportunities are still available if you are attending college this fall and need help with tuition. College bound students can still apply for one of the six homeschool scholarships, or the four non-traditional scholarships to be awarded this year. You can find applications and details online at jrec.com/scholarships.

Deadline is June 15.
